Hanron Jewellery
Wedding Band Collection

Wedding Band Sample Case

The set consists of 72 rings which includes 24 Plain traditional designs comprising of Courts, Soft Courts, D Shapes & Flat Court rings ranging from 2mm - 7mm.

There is also an extensive range of Diamond-Cut, Two-colour Patterns and a collection of Diamond Set designs.

Engraved on the inside of each ring is the unique product reference and width pertaining to that ring. Patterns and widths can be mixed and matched, colours can be changed and metals can be combined to create bespoke designs.

Depth and weight of a sample ring may not be represented in the finished product.
For a more accurate finish weight, please refer to our catalogue or website.
Contact us in-store to match a sample profile.
